To the U. S. Mint at Philadelphia.

We have placed in our hands for sale for a poor person two bars of Gold and would like to know what you would pay for the same and the best way to send them. They are stamped Moffat & Co, 20³/₄ Carat. They weigh together about 853 grs.

An early reply would much oblige

To the U.S. Mint at Philadelphia:

We have placed in our hands for sale for a poor person two bars of gold and would like to know what you would pay for the same and the best way to send them. They are stamped Moffat & Co., 20 $\frac{3}{4}$ carat. They weight together about 853 grs.

An early reply would much oblige.

Yours truly,
Nichols & Harris
